

***Draft of ABRWH Member
Conflict of Interest Disclosure Statement***

The Advisory Board on Radiation and Worker Health (the Board) is very concerned with maintaining the transparency of the compensation program created by the Energy Employees Occupational Illness Compensation Program Act of 2000. In an effort to foster a fully open and honest environment for claimants and in order to allay any concerns within the stakeholder community regarding perceived or actual conflicts of interest for Board members, the Board releases the following information:

Board Member's Name and Position: **Mark Griffon**
President
Creative Pollution Solutions, Inc.
Salem, New Hampshire

Biographical Information: On March 18, 2002, the White House announced that the President intends to appoint Mark Griffon to be a member of the Advisory Board on Radiation and Worker Health. Mr. Griffon has served as the President of Creative Pollution Solutions in New Hampshire since 1992 where he performs consulting services in the radiation and hazardous waste fields. He also recently served as a Member of the Advisory Committee for U.S. Transuranium and Uranium Registries.

Waiver: Mr. Griffon has been provided a waiver under 18 U.S.C. § 208(b)(3), permitting him to participate in the deliberations and recommendations of the Board, because the need for his services outweighs the potential for conflict of interest. This waiver is expressly limited as described below, and will not allow participation relating to specific matters in which he has a financial or imputed financial interest. In addition Mr. Griffon will remain subject to the disqualification requirements imposed by 5 C.F.R. § 2635.502 with respect to specific party matters.

Year Waiver Issued: 2005
